

Physician Addendum -- Medical Necessity Timeline & Conservative Therapy

Patient: Ahmed Ali | Member: ABC-4471-9920 | Date: 2026-08-25

Addendum to Order for CPT 70551 (MRI Brain without contrast):

1. Conservative Management Timeline: Patient completed 6 continuous weeks of structured physical therapy (2x/week) and failed two classes of analgesics.

2. Clinical Necessity: Headaches have intensified from episodic to daily.

Non-contrast CT from 2024 is remote and insufficient for soft tissue brain evaluation.

3. Ordering Physician: Dr. Hala Mansour, MD -- Board Certified Neurologist.
